myMCPS Portal Document Library

A new feature has been developed and released to the myMCPS Portal providing parents and students with access to select reports that were previously distributed in paper form. Initially, parents and students will be able to access the **MAP Student Progress Reports** from Fall 2016 through the current Winter 2018. Additionally, high school parents and students will also have access to the **Student Grades and Graduation Credit Report (SGGCR)** which is distributed during the 1\textsuperscript{st} and 3\textsuperscript{rd} marking periods. Future releases will include the PARCC Parent reports as well as other external measures.

Parents and students can access these reports via the **Document Library** link from the navigation menu.
