① Install the Sora app from the Apple App Store or Google Play Store – or just go to https://www.soraapp.com

② In Sora,

- Click on “I have a setup code” on the bottom of the screen
- Enter: montgomerymd ➔ Get Started
- Sign in with your school computer login information.

③ Browse the explore tab and borrow a book. You can select e-books or e-audiobooks.

How does Sora work? Montgomery County Public Schools has purchased a large number of popular titles. If a book is already “checked out,” you can request a hold or waitlist. Sora titles also have “due dates.” If someone else wants to borrow the book, you won’t be able to renew.

Options: You can put books on your shelf, take notes, highlight and set bookmarks.

If Blair or MCPS does not own a copy of a book you need, link to Maryland’s Digital Library to find even more titles available to you. If you need help, see the help link on our e-books web page.
